GOOD TO KNOW

The **Silver Lake Reservoirs Meadow** is closed, along with Rec Center facilities, basketball court, etc. As of April 12, the **Silver Lake Dog Park** is open.

As of April 11, walkers and runners on the Silver Lake Reservoir path are instructed to go counterclockwise due to concerns about social distancing during the COVID-19 pandemic. Learn more.

<https://www.nbclosangeles.com/news/coronavirus/people-on-silver-lake-reservoir-path-instructed-to-walk-counterclockwise-due-to-social-distancing-concerns/2344519/>

All City of Los Angeles park trails, beaches, playgrounds, sport amenities (basketball and tennis courts, skate parks and natural and synthetic turf fields) are off limits and closed—along with indoor buildings and all group sports, film permits, events, etc. Parks are open for passive recreation, subject to mandatory physical distancing, but may be closed on holidays, etc. For more information, click here: <https://www.laparks.org/covid-19>

Goodwill SoCI donation centers, drop-off locations, and retail stores are closed. For more information, click here: <https://www.goodwillsocal.org/a-message-about-covid-19/>

LA Animal Services and City shelters are still in operation to care for and protect our animals. To learn more about fostering, adopting or donating, click here: <http://www.laanimalservices.com>

LAFD brush inspections for private properties are delayed until June 1, 2020. Due dates for correcting any violations will be extended from 15 days to 45 days from the date of the initial inspection. For more information, click here: <https://www.lafd.org/news/corona-virus-covid-19-information-city-los-angeles>

Gas-powered leaf blowers are illegal for use in the City of Los Angeles, per Municipal Code Section 112.04. It's important to avoid adding pollutants to the air and violations can be reported to Bureau of Street Services inspectors at 3-1-1.

Construction is still considered an essential function. For information on the guidelines, click here:

STAYING SAFE IN SILVER LAKE: Important reminders from the Bureau of Sanitation

Disposable protective wear, like gloves, masks, etc. **MUST** be discarded properly in a trash can. If you see storm drains clogged by gloves, trash, or other debris, please report it to the BOS 24-hour Customer Care Center at 1-800-773-2489 so they can dispatch crews.

It's important to sanitize trash cans. Watch this Bureau of Sanitation video.

https://video.wixstatic.com/video/3a20fc_784e70c04c7042f89d5f19b1cc4bf71c/480p/mp4/file.mp4

If you have extra bags of trash or recycling that don't fit in your bins, please meet the truck outside when it gets to your home. After your bin is emptied, you may refill it while the driver is there and the bins will be emptied again into the truck. In keeping with safe social distancing guidelines and avoiding surface contact, BOS drivers must stay in their vehicles, and customers must maintain a 6-foot distance from the driver as well as a safe distance from the truck's mechanical arm.
